A Representative and Champion of American An Illustrated Monthly Journal claimed to be the handsomest Paper in the World. "Give my love to the artist workmen of THE ALDINE who are striving to make their profession worthy of admiration for beauty, as it has always been for usefulness."—Henry Ward Furniture for the Million. THE ALDINE, while issued with all the reg-ularity, has none of the temporary or timely in-terest characteristic of ordinary periodicals. It is an elegant miscellany of pure, light, and graceful literature, and a collection of pictures, the rarest specimens of artistic skill, in black and white. While other publications may claim superior cheapness as compared with rivals of a similar class, THE ALDINE is a unique and orig-inal conception—alone and unapproached—ab-solutely without competition in price or charac-ter. CHARDON, OHIO. New Features for 1872. A LI. operations performed in the most skilful manner, and in accordance with the latest scientific principles of the art. Artificial teeth inserted on the Rubber Base. Children's Teeth extracted without charge. Using nothing but the very best quality of material in the manufacture of Plates and Teeth, and having but one price, I feel confident in giving satisfaction to my patrons in every particular. The enthusiastic support so readily accorded to their enterprise, wherever it has been introduced, has convinced the publishers of THE ALDINE of the soundness of their theory that the American public would recognize and heartily support any sincere effort to elevate the tone and standard of illustrated publications. As a guarantee of the excellence of this dopartment, the publishers would beg to announce during the coming year, specimens from the following eminent American artists: ne coming year, specimen minent American artists: W. These pictures are being reproduced without regard to expense by the very best engravers in the country, and will hear the severest critical comparison with the best foreign work, it being the determination of the publishers that THE ALDINE shall be a successful vindication of American taste in competition with any existing publication in the world. CALL AND SEE THE New Wheeler & Wilson Sewing Machine. Where so much attention is paid to illustra-tion and get up of the work, too much depend-ence on appearances may very naturally be feared. To anticipate such misgivings, it is only necessary to state, that, the editorial man-agement of THE ALDINE has been intrusted to Mr. IRCHARD HENRY STODDARD, who has received assurance of assistance from boost JOHN SCHWENINGER. Office in COWLES DRY GOODS STORE received assurances of assistance from a host of the most popular writers and poets of the coun The Volume for 1872 will contain nearly 300 pages, and about 20 fine organings. The Christmas number for 1872, will be a splendid volume in itself, containing affly engravings, (four in tint) and, although retailed at one dollar, will be sent without extra charge to Can be had at the above Office. LOCAL ITEMS, Make A Chromo to Every Subscriber was a very popular feature last year, and will be repeated with the present volume. The publishers have purchased and reproduced, at great expense, the beautiful oil painting by SEIS, entitled "DAME NATURE'S SCROOL." The chromo is HANZ inches, and is an exact fac-simile, in size and appearance, of the original picture. No American chromo, which will at all compare with it, has yet been offered at retail for less than the price asked for THE ALDINE and it together. It will be delivered free, with the January number, to every subscriber who pays for one year th advance. American Button-Hole OVER-SEAMING SEWING MACHINE 1. T. WADE, Agent for Lake county
